MASTER OF SCIENCE IN ONE PLANET LEADERSHIP

The M.S. in One Planet Leadership program provides a relevant, cost-effective, and unique graduate education experience. With a focus on sustainability principles, it is a program that challenges students to explore the complex task of creating and leading learning organizations that seek to maximize employee well-being, social responsibility, and performance excellence – the triple bottom line or “People, Planet, and Profit.”

‘One Planet Leadership’ articulates a positive vision for the role that leaders can play in enabling humanity to live sustainable lifestyles in harmony with nature and ecological limits. Our Program’s emphasis is on awareness and action; that today’s leaders should actively seek to change the world for the better. From this perspective the very definition of leadership is extended to those who seek sustainable development and change, regardless of role or position, to build the kind of world that we want to live in and that we want our children and grandchildren to inherit.

We are proud to be one of the founding partners in the One Planet Education Network (OPEN). Benefiting from the experience of World Wildlife Fund (WWF) and its pioneering One Planet Leaders program, OPEN consists of business schools committed to embedding sustainability and social responsibility into their teaching, service, and scholarship, as well as into the practices of their respective institutions. One Planet programs are inclusive and share a deep commitment and ambition for sustainable business education that is progressive, innovative in approach, and international in outlook.

GRADUATE STUDIES ADMISSIONS

1. Complete the graduate application at applytexas.org.
2. Pay the non-refundable application fee via your electronic application, or pay by cash, check, money order, or credit card in our Business Office.
3. Submit a 200-300 word essay addressing career and academic goals.
4. Request and/ or submit final official transcripts from all institutions previously attended. Coursework consolidated on one transcript does not meet this requirement.
5. Scores on the Graduate Management Admission Test (GMAT) or Graduate Record Exam (GRE) may be required. These scores should be sent directly to the Graduate Office by the testing service.

Beyond general requirements for admission to Graduate Studies, departments may set additional standards for admission to degree programs. Please contact the Office of Graduate Studies for additional graduate admission requirements.

Applicants may be considered for admission as further defined by the Office of Graduate Admissions policies.

FINANCIAL ASSISTANCE

The Office of Student Financial Assistance helps students meet their educational expenses while attending Texas A&M University–Central Texas. Support is provided through grants, scholarships, student employment, loans, and other resources. Student Financial Assistance staff members are ready to assist with the Free Application for Federal Student Aid (FAFSA). FAFSA School Code: **042295**.

Additionally, A&M–Central Texas is approved to participate in federal and state Veteran education benefit programs and military tuition assistance programs.

WE ARE WARRIORS.
